

## Learn @ Your Place

### ANYTIME, ANYWHERE CLASSES

MiLanguages provides language training through the use of the latest distance learning technology. It has its own in-house capability, powered by WebEx, with face-to-face video, white board and application sharing, all to support a lively and productive distance-learning experience. The system allows us to provide any

language anywhere with the same look and feel of live instruction. Programs can be designed to combine both same-space and distance education in many combinations of blended learning.
